

ICC Chapter Monthly Meeting

April 2026

Energy Code Related Updates

- **Business meeting agendas and recordings**
 - **March 12** – Approval:
 - Association of Home Appliance Manufacturers (AHAM) bathroom exhaust fan testing and certification program, including use of the AHAM Verifide® Mark, as an alternative procedure under section 10-109(h), to demonstrate compliance with the manufacturer airflow rating requirements for local mechanical exhaust fans, including bathroom exhaust fans, under the 2025 Energy Code
 - April 8 – No Part 6 Items to Report
 - **Next Business Meeting** – April 27 & May 13
- The CEC invites public comments on the **Restructured 2025 Energy Code**, which reorganizes the adopted regulatory language to group related requirements together and renumbers sections for easier navigation. This draft is a resource for feedback only and is not an official code
 - Comments can be submitted via **docket 24-BSTD-05** and are due by May 26, 2026.
 - The CEC can provide 30-minute overview training upon request.
- **2025 Energy Code**– effective January 1, 2026
